Extra equipment allowance of ^{to clause} £15 per
account of Mr Reddy's deputation to Canada
during the winter months. The original
equipment allowance of £45 was sanctioned
for the European tour during Spring &
Summer months. On authoritative inquiries
made in London it has been decided necessary
to grant an additional allowance to
Mr Reddy for the Canadian winter required
special equipment.

The additional daily
allowance of 10s was also thought
necessary upon being advised that the cost
of living in Canada was higher.

Dear Sir

TV

D 6691

I have the honour to
submit the accompanying bill of
Shenal Charges for the kind sanction
of Government

No much needs to be said by way
of an explanatory statement concerning
the amount of work I was able to do, the
charges don't seem to be unduly heavy & I
only hope that I may not be humiliated
or not sharing myself & incidentally the
Treasury either. Had definite orders been
issued previously, I should have known
exactly how to proceed but as it was I had
to work in great measure on trial & conjecture
a state of things liable to produce misunderstandings
& disaffection. I therefore request Government
to put a more liberal & generous construction on
my submission

Yours sincerely
C R Reddy
